

# Can you honestly think of a way just £2 a month could do more good, for good?

## For one person?

Every 17 seconds, a child in the developing world dies from water-related diseases. In around the time it takes you to read this paragraph, someone, somewhere, will die.

WaterAid/Jenny Matthews

## For whole communities?

Whole communities will benefit from the gift you make today. No longer will childhood diseases like diarrhoea be killers. No longer will mothers need to live in fear.

### Bristol & Wessex Water's

customers have raised **£5.6 million** for WaterAid, enough to bring safe, clean water to **370,000** people around the world. Bristol & Wessex Water also kindly fund the printing and postage of this appeal, so even more of WaterAid's funds are spent helping vulnerable people gain access to the clean water they need to survive.

WaterAid/Jim Holmes
