

Your own fishery for the day

Litton

When you book Litton you have the exclusive use of two lakes with a boat on each. Stocked with the same high quality trout as all our lakes, but with less fishing pressure, many customers have discovered that a leisurely day's sport in this intimate and picturesque setting is sheer delight.

The Lower Lake

Lower Litton is a shallow, tree lined 8-acre lake. The water is deepest near the dam and there are weed beds over much of the shallower areas. There is a Fishing Lodge at the waterside with veranda, tables, chairs and barbecue for use by you and your guests.

The Upper Lake

Upper Litton (11 acres) is much deeper than its sister lake and very different in character. Long and narrow with steep sides, and a stream flowing in at the top end, it can call for rather different tactics
