

SAVE WATER SAVE ENERGY

SAVE MONEY

Save **£100 p.a.** with a Free water efficiency pack

A

Shower Saver

Regulates the flow from your showerhead to reduce the water you need for a good shower.

B

Shower Timer

Lets you see how long you're spending in the shower.

C

Save-a-flush

Goes in the toilet cistern to reduce the amount of water used with each flush.

D

Tap Inserts

Special inserts which regulate the flow to reduce water wastage.

E

Water Audit Leaflet

To help you audit your own water usage and show you how to save water.

It goes without saying that water costs money, not just for the water you use, but for the energy you use to heat it. Now you can save money with our Free water efficiency pack. If you have a water meter you can save over £100 a year and even non-metered homes can save around £30*, well worthwhile in today's tough times.

*For full calculations visit www.bristolwater.co.uk Shower Saver not suitable for electric showers or those with multiple jets. Save-a-flush suitable for single flush toilets over 7.5 litres. Tap inserts suitable for taps with threaded inserts only. Texts received will be charged at the standard message rate which may vary by operator. Two texts are required to complete an order. Offer subject to availability. One pack per household.
