

BASIL. THE CAT WHO CHARMED A SOMERSET SCHOOL

Basil Catkinson is an extremely handsome and sociable Birman cat who attends St Lawrence Primary School in Westbury-sub-Mendip. Make no mistake, he's no mere mascot or occasional visitor; oh no, he's a regular pupil. Not the brightest student admittedly, for a start he doesn't understand computers – call that a mouse! He loves nature study lessons though and, like any youngster, he looks forward to playtime.

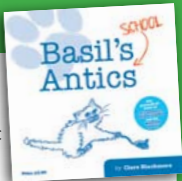

Basil has many fans across the country, from former BBC Bristol presenter Richard Wyatt to England rugby star Jonny Wilkinson's mum Philippa. Many read his weekly column in the school newsletter avidly. Now his antics have been captured in a charming book, full of photographs, anecdotes and children's drawings. Basil's Antics will amuse and entertain cat lovers everywhere and at the same time raise much needed funds for his school and his favourite charity, WaterAid.
