Important Additional Information

- Charges and associated information is detailed in Bristol Water Standpipe Hire Charges: 01 April 2024 to 31 March 2025.
- Please do not make Standpipe payments to Bristol Water Billing Services Limited (BWBSL).
- Standpipes are not generally intended for domestic drinking water, including temporary accommodation, offices and welfare facilities. The Standpipe Hire team will make contact to ensure appropriate arrangements are in place where domestic use is identified in the application
- On receipt and confirmation of an application, Bristol Water Standpipe Hire will issue an invoice including VAT where applicable.
- Failure to return a Standpipe at the end of the agreed hire period will result in additional hire charges.
- Any damages, losses or stolen standpipes will result in additional charges, which may be offset against deposit payments according to the terms and conditions of hire.
- Failure to provide accurate meter readings may result in termination of hire agreements or estimated charges.

Agreement

I have read and accept the Terms and Conditions. I understand that I can only use the standpipe(s) issued to me by Bristol Water and may not use any hydrant until the appropriate fee has been paid and a signed contract and authorised standpipe have been issued. I understand that standpipes hired are not intended for drinking water or domestic consumption purposes unless otherwise stated. I confirm that everything stated above is true and accurate.
